

# Index to THE CLASSICAL WEEKLY, Volume XX<sup>1</sup>

An entry such as *Aegean Civilization: Reviews*, Glotz, means See *Reviews*, under the name *Glotz*.

Various other space-saving devices have been used. Thus the name of an author will be found in full only once, at the place where his surname appears in the alphabetical sequence. The title of a book is given in full only where it is listed under the caption *Reviews* (two or three titles proved too long to be quoted in full even here). The title of an article is given in full only once, where the author's surname appears in the alphabetical sequence.

- 'Ablative of Agency': see *Agency*
